Vol. 151

WASHINGTON, WEDNESDAY, JUNE 29, 2005

No. 89

Senate

The Senate met at 9:30 a.m. and was called to order by the PRESIDENT pro tempore (Mr. STEVENS).

PRAYER

The Chaplain, Dr. Barry C. Black, offered the following prayer:

Let us pray.

Almighty God, thank You for Your promise to guide us by Your spirit. Give us wisdom to clearly comprehend Your promptings in our hearts so that we may follow You. Guide us away from contention and teach us to build bridges instead of walls. Keep us from sowing seeds of negativity so we will not reap a harvest of regret.

Bless the Members of this body in their legislative work, and keep them safe from harm. Give them a patience that persuades and a speech that brings unity. As they wrestle with the conundrums of our times, help them to seek timely advice.

Empower us all with the self-control that will enable us to honor Your Name.

We pray this in Your powerful Name. Amen.

PLEDGE OF ALLEGIANCE

The PRESIDENT pro tempore led the Pledge of Allegiance, as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

RECOGNITION OF THE MAJORITY LEADER

The PRESIDENT pro tempore. The majority leader is recognized.

SCHEDULE

Mr. FRIST. Mr. President, this morning after our 60 minutes of morning business, we will resume debate on the Interior appropriations bill. Last night we reached an agreement which provides for debate and votes on the final amendments. We will start off with two amendments relating to pesticides. If all time is used on those two amendments, we will be voting at approximately 12:30. I hope we will not need all that debate time, but that we can expedite some of the votes in order to finish the bill at an early hour today. We will be voting on the bill throughout the day on the remaining amendments to the Interior bill. We will finish the bill today.

As a reminder to my colleagues, we need to keep things moving as efficiently as we possibly can because we have a lot of other work to consider this week, including the Homeland Security bill, possibly the CAFTA legislation, a highway extension, in all likelihood a welfare extension, and there are other appropriation measures and nominations that may become available for Senate consideration.

I know we have a lot of Members who are traveling and, specifically for BRAC reasons, are going back to their States. But we need to keep voting, keep the amendments coming forward to make progress for the American people.

We have today, Thursday, and Friday to accomplish a great deal. I encourage my colleagues to come to the floor. If

you don't need extended debate, please take into consideration that we have a lot to do to finish this bill today.

RECOGNITION OF THE MINORITY LEADER

The PRESIDENT pro tempore. The minority leader is recognized.

APPROPRIATIONS

Mr. REID. Mr. President, through the Chair to the distinguished majority leader, it is my understanding that sometime this morning CAFTA will be marked up and likely come out of committee. Is that the leader's understanding?

Mr. FRIST. That is my understanding.

Mr. REID. As the leader mentioned, we are going to go to Homeland Security appropriations next, is that right?

Mr. FRIST. That is the plan, although right now the Interior bill is taking an extra day, a day longer than I thought, so we are going to have to adjust the schedule appropriately given the fact the Interior bill was not finished yesterday as we had anticipated.

Mr. REID. As I spoke to the leader, because Senator DOMENICI and I have done the bill for so long, if we needed to do a bill in a shorter period of time, an appropriations bill, I think we could do ours in a day at the longest. I don't anticipate any trouble with that.

As I said privately and now I say publicly, I think we have a tremendous obligation to see what we can do to move appropriations bills. Before we leave, I would like to get two of them done. When we get back in July, after the obligations that you and I have set up—stem cells, China trade, native Hawaiians—then I hope we could get some more appropriation's bills done, but I know that is a big order.

In relation to what the majority leader has said, I do not think anyone should plan on staging their votes
